Parents  brightwheel

My son just started daycare and I was so nervous, but being able to see the pictures and different notes about him from the teacher and being able to message the teacher gives me peace of mind! I love it!!

I love using brightwheel. I am able to feel close to my child while I'm work, and keep up with what she's doing through her day. It's also a quick and effective way to communicate with her teachers. HIGHLY RECOMMEND!
